EDUCATION

2021 – Meisterschülerin with Marijke Van Warmerdam at the Staatliche Akademie der Bildenden Künste Karlsruhe

2019 – Diplom with Corinne Wasmuht, Andreas Arndt and Marijke Van Warmerdam at the Staatliche Akademie der Bildenden Künste Karlsruhe

ABOUT

Tamara Goehringer (*1993) studied at the Staatliche Akademie der Bildenden Künste Karlsruhe under Corinne Wasmuht, Andreas Arndt and Marijke van Warmerdam, with whom she graduated as a Meisterschülerin. Voice, language, and the (/her) body are central to her artistic practice, which she explores through performance, sound, sculpture, and drawing. Goehringer questions contexts, norms, and social patterns, incorporating theoretical research equally as contemporary pop culture, internet phenomena, ancient myths or fables to create a narrative specific to her.

In 2025, she was an artist-in-residence at the Museum of Modern and Contemporary Art Seoul (MMCA, Goyang) where she further developed her research on voice and body. Her work has been presented in institutional and independent spaces, including Kunsthalle Wilhelmshaven (2025), WAF-Galerie Vienna (2025), Bacio Bern (2025), Kunstverein Friedrichshafen (2024), Simultanhalle Cologne (2024), Contemporary Matters Vienna (2023), Galerie Jeune Création Paris (2022), and Saasfee* Pavillon Frankfurt am Main (2022), among others.
